

SCAERO Creepy Cookie Dough Bars

Nothing says spooky like a haunted house. Open the door to a little decadence while you're there!

Ingredients:

- ½ cups softened butter
- ¾ cups brown sugar
- 1 tsp. vanilla
- 1 cup all-purpose flour
- ¼ tsp salt
- 2 tsp milk
- 1 package of chocolate chips
- 1 package of brownie mix
- 8 SCAERO junior bars
- 16 candy eyes

Instructions:

1. Cream the butter, sugar, and vanilla together.
2. Add the flour and the salt to the mixture.
3. Add the milk.
4. Fold 1 cup of chocolate chips into the mixture. Set aside.
5. Prepare the brownie mix according to the instructions. Let cool.
6. Spread cookie dough evenly overtop of the brownies in the pan. Cut into squares.
7. Add one SCAERO junior bar to each square.
8. Melt ¼ cup of chocolate chips in the microwave, gradually stirring until melted and smooth. Add the melted chocolate to a plastic bag and cut off one corner of the bag, about 1/4 inch from the tip. Pipe the melted chocolate next to each SCAERO bar to resemble spider legs.
9. Use melted chocolate to fasten the candy eyes to each SCAERO bar.

Yield: 8 servings
