

Origami Art

Materials & Tools

- Art board
- White paint
- Wood trim to frame art board
- Wood cutting tools and wood glue
- Paper or recycled pages from a book or magazine
- Glue
- Ruler & Pencil

Instructions

1. Cut card stock into squares - 3 inches x 3 inches
2. Fold in middle of two sides

3. Fold all four corners into centre

4. Flip over to have folded sides facing down and unfold one side

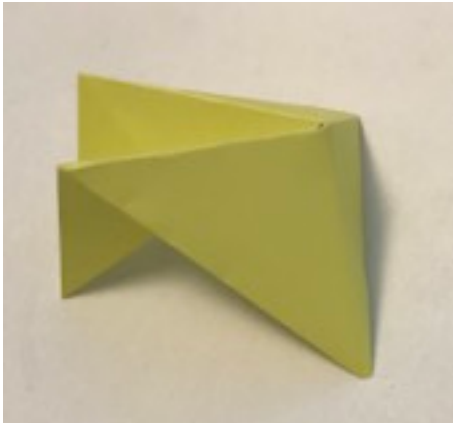

5. Fold from centre of square to outer corner and bring up sides to create a trough

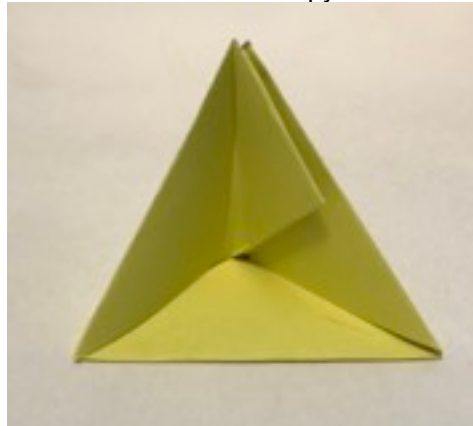

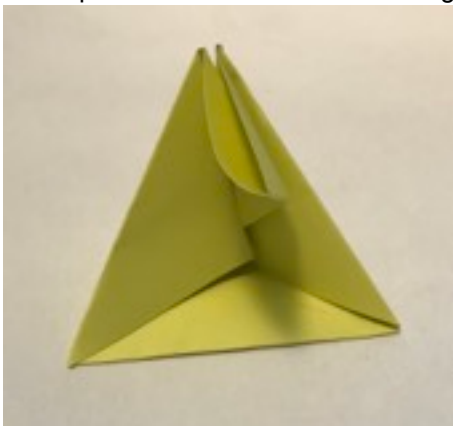

6. Press centre of square up from underneath and press trough side down

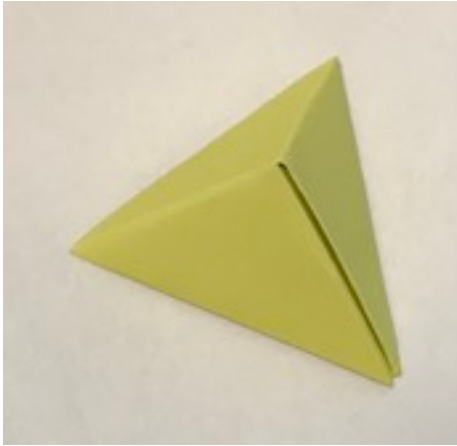

7. Bring together two adjacent sides of trough and push trough down to fold

8. Turn upside down and fold down trough into underside of 3 sided pyramid

9. Lightly pinch folds along top edges of pyramid for assembly to sit level

10. Repeat and make as many pyramids as needed to complete art piece
11. Glue down pyramids onto art board and frame with wooden pieces

Approximate Cost \$10
